(completed over a two terms,
Junior year)

Rooted in our Catholic, Jesuit commitment to a faith that does justice, this program blends theological reflection, ethical decision-making, and hands-on experience to shape leaders who can navigate complexity with wisdom and clarity. A defining feature of the minor is the transformative two-semester journey through the Spiritual Exercises, offering a rare opportunity to develop profound self-awareness and a discerning approach to leadership. Whether you're pursuing a career in business, education, healthcare, or nonprofit work, this minor equips you to serve the common good for God's greater glory in any field. There are three required courses and several elective options for students to help grow and deepen their foundation of Ignatian Spirituality.
