

ENDORSE A HIGH SCHOOL STUDENT'S APPLICATION TO MARQUETTE

Alumni, parents, and friends of the university are an integral part of the recruitment process at Marquette University. You understand what the "Marquette Experience" is all about and you may know a student who would benefit from that same experience. Get a student started on the road to MU by endorsing an application and opening their eyes to the opportunities a Marquette education offers.

Endorsing a high school student is easy!

- Fill out this form with the required information.
- Give the endorsement form to a high school student who you feel is Marquette material.
- When the student applies, they will be prompted to enter the information from the form directly onto their Marquette application.

It's that simple!

- You've referred a student who you feel would flourish at Marquette.
- Students who apply using an endorsement are entered into a drawing for special Marquette prizes.
